

The Choral Society of the Hamptons is celebrating its 65th anniversary.

As such, it has deep roots as a community organization and a solid history of presenting professional-quality music for local audiences at modest prices. We have 100 members who donate approximately 100 hours a year each in rehearsal and performance, and our concerts attract more than 1,500 music lovers each year.

Although the chorus is comprised largely of amateurs, we engage outstanding professional soloists and orchestras, and our repertory and technique continue to grow under the baton of our gifted music director, Mark Mangini. We have sung at Lincoln Center, the Metropolitan Museum of Art, and abroad, commissioned a choral work and hope to do so again, and we award scholarships for vocal study to talented high school students.

Our supporters make all that we do, and all that we hope to do, possible.

It is with great pleasure that the Choral Society of the Hamptons invites you to a concert celebrating our 65th year of presenting music to our families, friends and community. Mark Mangini, our music director, has created a program befitting the significant occasion; we will be performing one of the masterworks of the choral repertoire—the Mozart *Mass in C minor* as well as the delightful Haydn *Te Deum*.

Both pieces reveal a joyful spirit—the *Mass* was written by Mozart as musical celebration of his marriage to Constanze Weber and the *Te Deum*, commissioned by Empress Maria Theresa herself, is a cheerful hymn of praise. The *Mass*, commonly referred to as “the Great (or Grand) Mass,” has demanding intricate passages for double chorus. The Choral Society of the Hamptons is pleased to join once again with our colleagues, the Greenwich Village Singers, to present this majestic masterpiece.

There will be one performance on June 18 at 7:30 p.m. at the Most Holy Trinity Church Parish Hall in East Hampton. This is a new venue for us and we hope you will be as happy as we are about the beautiful acoustics and perfect sightlines from every comfortable seat. We would appreciate your buying tickets in advance. Of course, we are grateful for any extra amount you can add to your check. In spite of the many other attractions that have come to the East End in recent years you have remained a faithful member of the audience and we are truly honored by your loyalty.

If you would like to support us even further please consider attending “Mozart by Moonlight,” a cocktail and dinner party at the Gardiner Estate in East Hampton on Saturday, June 25. Libby and Shahab Karmely have very generously opened their spectacular garden for a festive celebration of our anniversary year. Your invitation will be in the mail shortly; we hope to see you there.

If you would like to order tickets by mail, please return the reservation form with your check by Friday, June 10, and we will mail your tickets to you. For telephone inquiries, please call 631-204-9402.
